We are bringing back our “bull and brews” get together Thursday evening to share knowledge and expertise with each other, or please feel free to bring collections or special items for presentation.

A Live auction (we anticipate 300 lots to be auctioned) will be held on Friday evening, along with our annual social/happy hour. Several silent auctions will be held Thursday through Saturday as well.

We will also host a one day show, which will be open to the public. Only 20 tables are available, so first come first serve.
