

The Tales from Lonesome Lodge, Revised -
by Bob Jennings

Lonesome Lodge is a place I went to for a Muskie Hunt; but after I arrived I found I had gone back in time to the early 1950's.

\$30.00 plus \$5.00 mailing to lower 48

The Musky tackle I purchased from a Special Sport Shop was from this era. The Proprietor of this Shop took me on a Muskie Hunt where I tangled with a Mighty Muskie losing my lure, leader and about six inches off the tip of my new Musky Rod; I then learned the Secret of Chin Whiskered Charlie's Kin at Charlie's Point.

Lots of fictional and immortalized characters arrive in their vintage vehicles bringing intriguing adventures and situations.

Fall times bring Ruffed Grouse Hunting with Mythical Bird Dogs.

Join me now on a journey that takes us to a simpler time in our history; meeting a host of fine people and visitors, hilarious adventures and situations, Wild Bird and Musky Sketches, Vintage Vehicle photos, Fishing Tackle and Firearms photos....all at a place called *Lonesome Lodge on Beautiful Lake NISATO.....somewhere.....Up North.....*Book is 8 ½ X 11, 83 Tales, 376 pages, 231 photos and 46 sketches with Textured Covers
