2022 NFLCC National Show Rules

1. Your identity name BADGE must be worn at all times during room trading and convention activities. Lost badges will incur a \$5 replacement charge. Security will not permit entry into the exhibit area without a name badge. You and your guests must have an Exhibitor's name badge in order to enter the exhibition hall during the set-up period prior to the showroom opening at 9AM on Thursday. Only exhibitors or show staff will be allowed in during set-up hours.
2. By attending the show, you agree to allow Show Staff and Convention Security to search the contents of any cases, bags, boxes, or any other containers or materials you carry to or from the show. Failure to submit to reasonable search may result in expulsion from the show and possible law enforcement action.
3. No members or guests, with or without tables, will be allowed entry without first paying in full any appropriate registration and table fees with the show registration desk. You MUST have PAID NFLCC membership dues through June 30, 2023, to be admitted to the 2022 National Show. If your membership renewal was received by the Secretary/Treasurer *after* July 16th, you may be required to pay an additional year's dues to be admitted to the show (a refund of any double paid dues will be made within 3 weeks).
4. No pets or alcoholic beverages are permitted at any time in the exhibition area. This is per state law and Convention Center rules.
5. NO SMOKING is permitted in the exhibition area. As per state law, smoking is only permitted outside of the building proper, 8 feet away from any door.
6. SEVENTY-FIVE percent of your display items must be fishing tackle related. NO GUNS, FIREARMS, or AMMUNITION permitted in the show room at any time.
7. Please treat VOLUNTEERS, SHOW STAFF, OFFICERS, HOTEL, and CONVENTION CENTER STAFF – and everyone else – with courtesy. (Don't be a jerk!)
8. Anyone not removing items (not in compliance with club rules and Bylaws) when requested, or not adhering to these rules will be asked to leave the exhibition area immediately. Please conduct yourselves appropriately. Members are responsible for the conduct of their guests. The NFLCC reserves the right to ask anyone to leave the showroom.
