We recommend typing the hotel address into an electronic map program and print off and follow directions; however, be advised that the city of Akron has major construction within the city on both Rt. 8 / I-77 northbound and southbound sides. It does affect the central interchange and at certain times of the day, traffic will be stopped and stretch for miles. If you must travel through the city of Akron via Rt. 8 / I-77 or the central interchange, I-76W or I-76E to I-77S, plan for extra time and try to mitigate traffic by traveling off rush hour times. Rush hour times generally run from 6 a.m. to 9 a.m. and from 4 p.m. to 7 p.m. Traffic may be congested throughout the day due to lane closures.

From the West or Northwest through Akron): From Montrose (West Akron) or northern traffic from Cleveland to Akron, follow I-77S to Montrose. Continue I-77S which becomes I-77S / I76. In the Kenmore area, take I-277 E/US-224 E and follow the freeway to I-77 S. Take I-77S to Canton / North Canton and use exit 109 Everhard Rd NW in Jackson Township. Turn right at the light on Everhard Rd NW and follow it until you reach the hotel approximately 0.3 mile on the left.

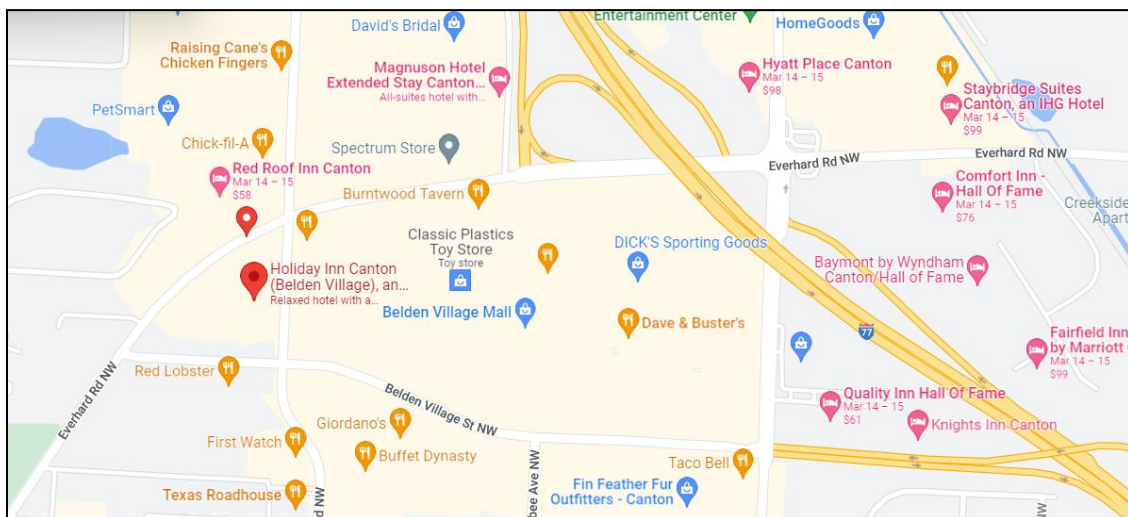

From the West at South Akron: Take I-277 E/US-224 E to South Akron and travel I-77S to Canton / North Canton. From I-77S take exit 109 Everhard Rd NW in Jackson Township. Turn right at the light on Everhard Rd NW and follow until you reach the hotel approximately 0.3 mile on the left.

From the East through Akron: Traffic may be heavy through the central interchange, but it is open to southbound traffic. Take I-76W to I-77S and continue on I-77S until you reach Canton / North Canton. Take exit 109 Everhard Rd NW in Jackson Township. Turn right at the light on Everhard Rd NW and follow until you reach the hotel approximately 0.3 mile on the left.
